

2015 CAAC China Echo China Night was successfully held on June 15th at Tufts University Medical Center during ASE 2015 in Boston MA. This event was sponsored by Philips Ultrasound, and co-organized by Chinese Society of Ultrasound and with the support from the adult and pediatric echo laboratories of the Tufts University Medical Center. Over one hundred guests from US and Chinese guests from Echo field attended this great event of celebration. Mr. Vitor Rocha (CEO of Philips Ultrasound), Dr. Yun Zhang from China, Dr. Natesa G. Pandian and Dr. Mark V. Zilberman from Tufts University, Dr. Zhenglun Zhu from American Chinese Medical Association gave warm opening speeches, followed by exceptional keynote speeches by Dr. Vera Rigolin, Dr. Hao Wang, and Dr. Wendy Tsang from Canada. During the reception, Dr. Hao Wang and Dr. Steven Goldstein received Achievement Awards in Education and U.S. - China Collaboration for Echocardiography. This year's event emphasized on the celebration of International Collaboration in Echocardiography and received excellent feedback.
