

Dear Colleagues:

We are pleased to announce that the “2023 Chinese American Academy of Cardiology (CAAC) Research Symposium” will be held in person at Folkman Auditorium, Enders Building, Boston Children’s Hospital on Saturday, May 13th, 2023, 1 PM-8 PM, EST, Boston, USA.

You are cordially invited to participate in this exciting annual academic event, contributing to cardiovascular research excellence and collaborations. The symposium will include Featured Scientific Presentations, the Young Investigator Award competition (YIA), award presentation for CAAC Service Award, CAAC Achievement Award, and YIA, and abundant networking events. *All fellows and trainees are encouraged to submit abstracts for the YIA competition.*

Preliminary Program (1:00-8:00 PM, EST):

- Welcome Luncheon (1:00-1:30 PM)
- Featured Scientific Presentations (1:30-3:00 PM)
- Abstract Oral Presentations for YIA competition (3:15-4:45 PM)
- Service, Achievement, and YIA awardee announcement and ceremony (4:45-5:30 PM)
- Grand Dinner (6:00-8:00 PM)

Online Registration:
